50:50

**A: 150 N Right**

**B: 450 N**

**C: 450 N Left**

**D: 150 N Left**

At point 1, the object's motion is \_\_\_\_\_.

At point 2 the object's motion is \_\_\_\_\_.

At point 3, the object's motion is \_\_\_\_\_.

**\$1 Million**

50:50

**A: increasing, changing, decreasing**

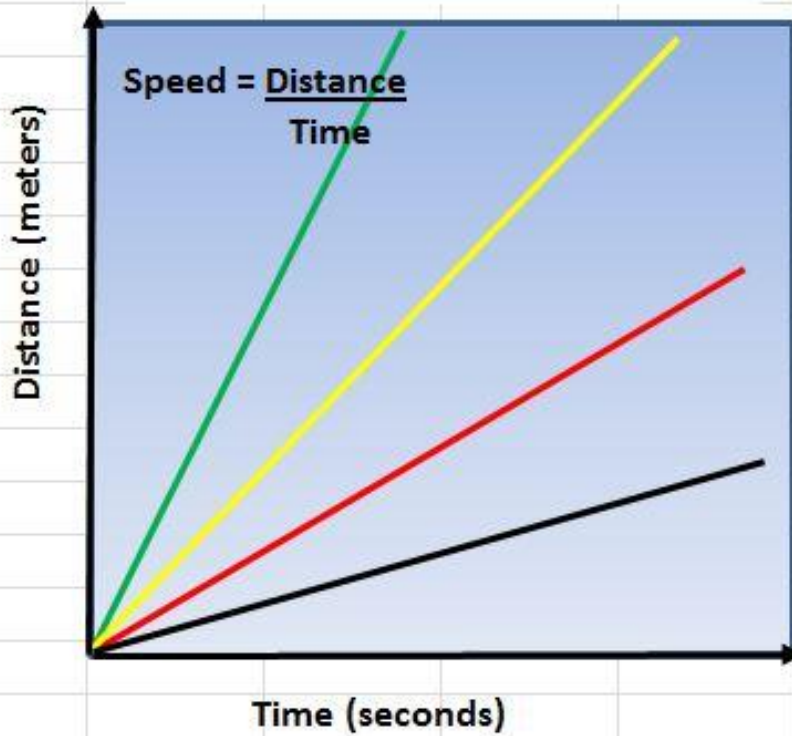

**B: constant, stopped, changing**

**C: increasing, stopped, changing**

**D: accelerating, stopped, decelerating**

Each line represents a car moving at a constant speed. Which one's moving fastest? How do you know?
